

Bradford Diocesan
Academies Trust

YOU could help young people in Bradford get a much better start in life – interested in becoming a Governor?

BDAT is a Diocesan Multi Academy Trust. We are looking for civic-minded and skilled individuals like you to champion and challenge our work. This is your chance to make a difference!

What do we need from you? We want your skills, strategic thinking and willingness to challenge and push us harder.

We could really do with you on one of our Local Governing Bodies. We are looking for skills/expertise in finance, strategy, law, HR, data analysis, risk management, health and safety, marketing and finance. Experience of the education sector would be a bonus but is certainly not essential. We offer all new governors induction training and peer to peer support.

Joining one of our Local Governing Bodies would involve you in:

- 2-3 meetings per term, three terms a year – meetings take place at the academy and dates/times are scheduled around members' availability as far as possible
- 2 – 3 classroom visits or similar per year during school hours
- Occasional other events e.g. to meet parents or governors from other schools

What will you get out of it? Aside from the buzz of making a difference to young people?

You can:

- develop/broaden/deepen your expertise in another context
- Team-building and team-working skills
- network with other professionals and community leaders

We have vacancies across our family of academies in the Bradford District:
