

Visitor Expectations

Listed below are a number of ways in which visitors can help to minimise the risk of COVID-19 within the BDAT office:

- Please maintain a social distancing space of 2 metres. Where this is not possible, a minimum of 1 metre must be maintained and mitigating actions followed e.g. not sitting face to face, limiting the time spent closer than 2 metres to 15 minutes, and wearing face coverings.
- Handwashing/sanitising must be carried out upon entry and exit of the building, as well as before and after eating.
- All office signage must be followed. This includes the guidance on maximum occupation of spaces, cleaning down facilities after each use, not sharing resources, and 'catch it, bin it, kill it'.

We value all feedback, and would be appreciative of any suggestions you may have as to how BDAT can better protect our employees and visitors along with how COVID-19 secure you felt while visiting our office.
