Bradford Forster Academy

Admissions Arrangements for the Academic Year 2022-2023

BDAT is the Admissions Authority for this school and the local Governing Body makes recommendations on their admissions arrangements to the Trust Board. We welcome equally, applications from parents of the Christian faith, of other faiths and of no faith. We ask all parents applying for a place here to respect our distinctive Christian ethos and its importance to the school community.

Our Vision

Our aim at Bradford Forster Academy is to support our students to be aspirational, confident, caring young individuals who have the belief, knowledge and life skills to make a positive contribution to their local community and wider society.

We encourage our students to have:

BELIEF: to always be the best versions of ourselves that we can be.

FAITH: to find and follow our path in life from a place of faith, knowledge, skills and family support.

ASPIRATION: to achieve greatness and have the courage to flourish with love, compassion and humility.

The planned admissions number (PAN) for the admission to the year seven in the school year commencing September 2022 will be a maximum of 210.

Making an Application

Applications for place will be made using the local authority common application form by the national closing date of 31st October 2022. This can be found at [Apply for a place at one of Bradford District's schools | Bradford Council](#)

The governing board will consider first all those applications received by the published deadline (above). Applications made after midnight on that date will be considered after all on-time applications have been processed unless exceptional circumstances merit consideration alongside on-time applications.

Admission procedures

The Local Authority operates a co-ordinated admissions scheme and administers a system of equal preference which all applications are considered equally, and the Governing body allocates the available places in accordance with its published admissions arrangements. In event that there are more applications than places

available, the Governing Board will allocate places using the oversubscription criteria detailed below, which are listed in order of priority.

The Local Authority will inform parents of the offer of a place on behalf of the governors on the national offer date 1st March 2023.

Children with an Education, Health and Care Plan (EHCP)

All governing boards are required by Section 324 of the Education Act 1996 or the Children's and Families Act 2014 to admit to the school a child with an education, health and care plan, (EHCP) formerly a statement of special needs (SEN), which names the school. This is not an oversubscription criterion and relates only to children who have undergone statutory assessment and for whom an EHCP has been issued. If this school is oversubscribed after the admission of children with an EHCP then the oversubscription criteria will be applied to other applicants.

Oversubscription criteria

Where the number of applications received exceeds the planned admission number of the school the Governing Board will apply the following criteria in strict priority order.

1. Pupils who are looked after children and all previously looked after children.
2. Children who have an exceptional medical or social need (recommend by the appropriate professional – please read notes and definitions carefully)
3. A child who has a sibling who will be attending the school at the proposed date of admission.
4. A child who resides within the catchment area of the school and is eligible for the pupil premium (or service premium) at the time of application
5. A child who resides within the catchment area of the school.
6. Other Children

*For definitions and additional explanations. Please see Notes section below.

Tie Breaker

Where there are more applications than available within any one of the above criteria, applications will be allocated to those living closest to the school. The distance will be measured using the same method as the Local Authority. The distance between the child's home and school, measured by a straight line distance from the Ordnance Survey address point of the home to the main entrance to the school building, will be used to decide who is given a place; those living nearest being given the available places.

Where two or more applicants live equidistant from the school, as measure by the Local Authority the remaining places will be allocated by random allocation; the process will be independently supervised.

Waiting lists

Where the application has been unsuccessful parents / guardians may request that the child's name is added to the waiting list. The waiting list will be maintained until December 31st.

Any places that become available will be allocated according to the published oversubscription criteria of the admission arrangements with no account being taken of the length of the time on the waiting list.

In accordance with the School Admissions Code as soon as places become vacant the Governing Board must fill the vacancies from any waiting list, even if this is before admission appeals have been heard. Placing a child's name on a waiting list does not affect a parent's / guardian's right of appeal against an unsuccessful application.

It should be noted that children, who are subject of direction by a Local Authority to admit or who are allocated in accordance with an In- Year Fair Access Protocol (The School Admission Code), must take precedence over those on a waiting list.

Appeals process

Where governors are unable to offer a place because the school is oversubscribed, parents have the right to appeal to an independent appeal panel, set up under the School Standard and Framework Act 1998 as amended by the Education Act 2002.

Parents who intend to make an appeal against the Governing Board's decision to refuse admission must submit a notice of appeal in writing within 20 days of receiving the offer letter.

Please note the right of appeal against the governors' decision does not prevent you from making an appeal in respect of any other school.

Appeals forms can be obtained from the Local Authority Admissions Team. Email: schooladmissions@bradford.gov.uk

Tel: 01274 439200

In year admissions

Schools to insert their own procedure here – is it managed via LA or at school level

Where more applications are received than places available the over-subscription criteria will be used to support the decision.

Fair access protocol

The Local Authority has a Fair Access Protocol to ensure that unplaced and vulnerable children, and those who are having difficulty in securing a school place in-year are

allocated a place as quickly as possible. A child would only be eligible to be placed via the Fair Access Protocol (FAP) where they have not been able to secure a school place in-year and they fall into one of the specified FAP categories.

Fraudulent applications

The Governing Board reserves the right to withdraw the offer of a place if fraudulent or intentionally misleading information has been used on an application, e.g. false home address. This includes cases where parents take out a short term let or buy a property solely to use its address on the application form without any intention of taking up permanent residence there. In fairness to all parents, all allegations of fraudulent practice brought to the Governing Board's attention will be investigated.

Notes and Definitions

Catchment / priority areas

A map showing the catchment / priority area is detailed at INSERT SCHOOL WEBSITE / EXAMPLE IN THE SCHOOL

Parents

'Parents' include all those people who have parental responsibility for a child as set out in the Children Act 1989. Where responsibility for a child is 'shared', the person receiving child benefit is deemed to be the parent responsible for completing application forms.

Siblings

Siblings (brother or sister) includes:

- i) half-brother or half-sister, adoptive brother or adoptive sister, foster brother or foster sister, stepbrother or stepsister living as one family unit at the same address in attendance at the same school on the date of admission.
- ii) It will also be applied to situation where a full, half or adopted brother or sister are living at separate addresses at the same school on the date of admission.
- iii) The child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as this child who is subject of the application.

Home address

The child's home address must be where the child lives permanently. If the residency is split between two parents, the address must be where the child lives for the majority of

the time. If the residency is split equally between two parents, they can nominate the address they wish to use for the allocation of a school place.

Families who are due to move house should provide:

- a) a solicitor's letter confirming that exchange of contracts has taken place on the purchase of a property; or
- b) a copy of the current Rental Agreement, signed by both tenants and the landlords, showing the address of the property; or
- c) in the case of serving H.M. Forces personnel, an official letter confirming their date of posting from the MOD, FCO or GCHQ

Exceptional medical or social need

Priority will be given to those children whose evidence establishes that they have a demonstrable and significant need to attend this school in particular. Equally this priority will apply to children whose evidence establishes that their parents/ guardians physical or mental health or social needs mean that they have a demonstrable and significant need to attend this school in particular.

All schools can support children with a wide range of additional needs and are expected to accommodate severe medical and social needs. An application made under this criteria should clearly demonstrate why this school applied is the only one that can meet your child's needs in a way that no other school can.

Evidence must be submitted in writing by the closing date for applications (above) and include recent independent objective evidence, for example from a doctor, psychologist, social worker or other professional involved with your child. It should confirm the circumstances of the case and must set out why the child should attend this school and why no other school could meet the child's needs. If this school is not the nearest school to your child's home address, give specific reasons why closer schools will not meet your child's needs.

Providing evidence does not guarantee that a child will be given priority at this school and in each case a decision will be made based on the merits of the case and whether the evidence demonstrates that a placement should be made at this school above any other. In consideration of each case the board may consult with other medical or educational professionals for a further opinion as to whether the pupil should be allocated a place at this school.

'Medical need' does not include mild medical conditions, such as asthma or allergies. 'Social need' does not include a parent's wish that a child attends the school because of a child's aptitude or ability or because their friends attend the school or because of routine childminding arrangements.

Children who are looked after

Children who are 'looked after' by the Local Authority in accordance with section 22 of the Children's Act 1989 (i.e. a child who is in the care of the Local Authority, or provided with accommodation by the Authority) and children who were 'looked after' but have been adopted or have become subject to a child arrangement order or special guardianship order, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

This applies to all looked- after children, including those who are in the care of another local authority or being provided with accommodation by a local authority in the exercise of their social services function at the time of making an application.

Previously looked after children are children who were looked after but ceased to be so because they were adopted or became subject to a child arrangement order or special guardianship order, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. In the case of previously looked after children, a copy of the relevant documentation will be required in support of the application. This includes children who were adopted under the Adoption Act 1976 and children who were adopted under the Adopted & Children's Act 2002. Child Arrangement Orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a Child Arrangements Order. See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Pupil premium

The pupil premium is additional funding paid annually to schools under Section 14 of the Education Act 2002 for the purposes of supporting the attainment of disadvantaged children. The service premium is additional funding paid annually to schools under Section 14 of the Education Act 2002 for the purposes of supporting the pastoral needs of the children of the Armed Services personnel. The early years pupil premium is additional funding paid (from April 2015) to support disadvantaged children receiving government funded early education.

Multiple births

Where a family of 'twins', 'triplets' or multiple births request admissions and one child has been offered the 30th place or the last place the 'expected pupil' rule comes in and the other twin / triplet is offered a place.

Priority for Church Attendance

- A regular worshipper is defined as attendance of a parent/carer or the child at church, at an act of public worship for at least one month prior to application, verified by a member of the clergy or other designated church officer / faith leader.

- The governors do not give a higher preference to families where more than one member of the family worships.

- Choose either:

- a. A church is defined as a Christian Church which is a member of 'Churches Together in Britain and Ireland' or a member of the 'Evangelical Alliance' or a local 'Churches Together Organisation'. (NB Where schools include some priority for the children who worship at a Church which is part of a local Churches Together Organisation this should be named, and if it is not a member of Churches Together in Britain and Ireland, the school must make clear in its admissions information and where a list of membership of that local Churches Together Organisation can be viewed)

OR

- b. A church is defined as any Christian Church within the parish of St John's Bowling Parish Church.

. If during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

- Parents applying under this criterion are required to complete a Supplementary Information Form (SIF) which asks for a declaration and verification of being a regular worshipper. The SIF is available from the school and must be completed and returned to the school by midnight on the 15th January. In order to ensure that you have the required church attendance you may need to complete two or more forms. This is normally more applicable to those who have moved into the area but attended church at their previous address. If a SIF is not received within the allotted timescales the application will be considered but not under church attendance priority criteria.

- If a disability or other 'special needs' circumstance prevents regular attendance at a specific place of worship, but the person concerned is recognised by the church leaders as a 'regular worshipper' then this can be taken into consideration in your declaration and verification of your "regular worship at a Christian Church".

This form should be separate for confidentiality reasons

Supplementary Information Form (SIF)

This Supplementary Form should be completed by the parent / guardian of the child who is seeking admission to the school. This form need only be completed to confirm and verify that you meet the requirements of the oversubscription criteria related to church attendance. **No additional information will be considered** unless a family has attended more than one place of worship for that period, in which case more than one form may be submitted to cover the two years. It is the responsibility of the parent to get both sections complete and returned to school.

This form should be returned to the school office by no later than midnight on 31st October 2022
