Trade Union Facility Time

Purpose

The Trade Union (Facility Time Publication Requirements) Regulations 2017 implement the requirement introduced by the Trade Union Act 2016 for specified public sector employers (including Academies) to publish information annually on facility time. Facility time is the provision of paid or unpaid time off from an employee's normal role to undertake trade union duties and activities as a trade union representative.

Background

The reportable information for Bradford Diocesan Academies Trust is set out below and refers only to facility time linked to those trade union representatives who are part of BDATs' workforce (e.g. workplace representatives at the Trust's academies).

- Total number of staff who are union representatives across the trust.
- Percentage of time that representatives spend on union duties.
- Total pay bill for the business including on costs.
- Amount paid to Local Authorities for access to union representative time.
- Charges as a percentage of the total pay bill

This report covers the year from 1 April 2022 to 31 March 2023 and includes information relating to the 19 academies who were part of the Trust for this period.

Further details of the reporting requirements can be found here:

Bradford Diocesan Academies Trust has a Trade Union Recognition Agreement and meets regularly with both teaching and non-teaching unions to discuss and consult on matters relating to staffing, pay and policies.

We recognise the importance of having good working relationships with the unions and the great work that school-based representatives can do. For our staff, having access to a representative from outside the school when they need one is also important.
