Bradford Girls' Grammar School

Admissions Policy 2027 - 28

Aspire – Succeed – Lead

Date of review: February 2026
Date Approval: February 2026
Status: Statutory
Owner: Assistant Principal (Attendance)

Admissions Policy Entry September 2027

Bradford Girls Grammar School is run by its governing body as part of the Bradford Diocesan Academies Trust (BDAT) in accordance with the Articles of Association. BDAT is the Admissions Authority and the Local Governing Body makes recommendations on their admissions arrangements to the Trust Board.

The school is an 11 – 16, single sex[1] girls secondary school that provides an outstanding Education for students of all abilities. The allocation of places for students wishing to attend the school is set out on the following pages.

Pupil Admissions Number (PAN)

The planned admissions number for the admission to year seven in the school year commencing September 2027 will be a maximum of 140.

Application Process

Applications for places at the School are made in accordance with Bradford co-ordinated secondary admission arrangements and will be made on the Common Application Form (CAF) provided and administered by Bradford.

Applications for places will be made using the local authority common application form by the national closing date of **31st October 2026**. This can be found at: https://www.bradford.gov.uk/education-and-skills/schooladmissions/apply- for-a-place-at-one-of-bradford-districts-schools/

The governing board will consider first all those applications received by the published deadline (above). Applications made after midnight on that date will be considered after all on-time application have been processed unless exceptional circumstances merit consideration alongside on-time applications.

The Local Authority will inform parents of the offer of a place on behalf of the governors on the national offer **date 1st March 2027** (or next working day).

Children with an Education, Health and Care Plan (EHCP)

All governing boards are required by Section 324 of the Education Act 1996 or the Children's and Families Act 2014 to admit to the school a child with an education, health and care plan, (EHCP) formerly a statement of special needs (SEN), which names the school. This is not an oversubscription criterion and relates only to children who have undergone statutory assessment and for whom an EHCP has been issued. If this school is oversubscribed after the admission of children with an EHCP then the oversubscription criteria will be applied to other applicants.

Over Subscription Criteria

Where the number of applications received exceeds the planned admission number of the school the Governing Board will apply the following criteria for admission is greater than the number of places available, applications will be considered against the criteria set out below. they are set out below:

a. Looked after children or children who were previously looked after, but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order, including those who appear (to the admission authority) to have been in state care outside of England and ceased to be state care as a result of being adopted.
b. Girls for whom it is essential to be admitted to the School because of special circumstances to do with significant medical or social needs evidenced by written professional advice. The definition of what constitutes medical or social needs is "Bradford Girls' Grammar school is the only school that can meet the child's needs"
c. Girls who on the date of admission will have a sibling at the school.

[1] Sex define here as 'biological sex at birth'

d. Girls who on the date of application are pupils at Lady Royd Primary School.
e. Applicants who are daughters of staff in either or both the following circumstances

- Where the member of staff has been employed at the school permanently for two or more years at a time at which the application for admissions to the school is made, and/or
- The member of staff is recruited to fill a vacant post for which there is demonstrable skill shortage, and has successfully completed the probationary period

f. Other Girls

TIE BREAK

Where there are more applications than places available within any one of the above criteria, applications will be allocated to those living closest to the school. The distance will be measured using the same method as the Local Authority. The distance between the child's home and school, measured by a straight line distance from the Ordnance Survey address point of the home to the main entrance to the school building, will be used to decide who is given a place; those living nearest being given the available places.

Where two or more applicants live equidistant from the school, as measure by the Local Authority the remaining places will be allocated by random allocation; the process will be independently supervised.

Waiting lists

Where in any year the School receives more applications for places than there are places available, a waiting list will operate. This will operate until the end of the summer term in the year of application. This will be maintained by the Local Authority, and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application. A child's position on the waiting list will be determined solely in accordance with the oversubscription criteria set out above as applicable. Where places become vacant, they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

In year admissions

In-year admissions are managed by Bradford Council admissions. All in-year applications should be made via ICAF form and submitted to Bradford Council Admissions. This can be found at:
https://www.bradford.gov.uk/education-and-skills/school-admissions/in-year-applications/
Where more applications are received than places available the over-subscription criteria will be used to support the decision.

Fair access protocol

The Local Authority has a Fair Access Protocol to ensure that unplaced and vulnerable children, and those who are having difficulty in securing a school place in-year are allocated a place as quickly as possible. A child would only be eligible to be placed via the Fair Access Protocol (FAP) where they have not been able to secure a school place in year and they fall into one of the specified FAP categories.

Fraudulent applications

The Governing Board reserves the right to withdraw the offer of a place if fraudulent of intentionally misleading information has been used on an application, e.g. false home address. This includes cases where parents take out a short term let or buy a property solely to use its address on the application form without any intention of taking up permanent residence there. In fairness to all parents, all allegations of fraudulent practice brought to the Governing Board's attention will be investigated.

Appeals

Where governors are unable to offer a place because the school is oversubscribed, parents have the right to appeal to an independent appeal panel, set up under the School Standard and Framework Act 1998 as amended by the Education Act 2002.

Parents who intend to make an appeal against the Governing Board's decision to refuse admission must submit a notice of appeal in writing within 20 days of receiving the offer letter.

Please note the right of appeal against the governors' decision does not prevent you from making an appeal in respect of any other school.

Appeals forms can be obtained from the Local Authority Admissions Team.

Notes and Definitions

Parents
'Parents' include all those people who have parental responsibility for a child as set out in the Children Act 1989.

Siblings
Siblings (sister) includes:
Half-sister, adoptive sister, or foster sister, or stepsister living as one family unit at the same address in attendance at the same school on the date of admission.
Children who have a sibling who are at present in years 7 – 10 and who will still be attending the school at the time of admission.

Home address
The child's home address must be where the child lives permanently. If the residency is split equally between two parents, they can nominate the address they wish to use for the allocation of a school place, the chosen address will then be used for the full allocation period.

Families who are due to move house should provide:

a) Proof of completion on your new property and a solicitor's letter to confirm the sale of your previous property: or
b) a Rental Agreement on the new property and confirmation of the sale or ending of your tenancy agreement for the previous property.

Exceptional medical or social need
Priority will be given to those children whose evidence establishes that they have **a demonstrable and significant need to attend this school in particular.** Equally this priority will apply to children whose evidence establishes that their parents/ guardians physical or mental health or social needs mean that they have a demonstrable and significant need to attend this school in particular.

All schools can support children with a wide range of additional needs and are expected to accommodate sever medical and social needs. An application made under this criteria should clearly demonstrate why this school applied is the only one that can meet your child's needs in a way that no other school can.

Evidence must be submitted in writing by the closing date for applications (above) and include recent independent objective evidence, for example from a doctor, psychologist, social worker or other professional involved with your child. It should confirm the circumstances of the case and must set out why the child should attend this school and why no other school could mee the child's needs. If this school is not the nearest school to your child's home address, give specific reasons why closer schools will not meet your child's needs.

Providing evidence does not guarantee that a child will be given priority at this school and in each case a decision will

be made base on the merits of the case and whether the evidence demonstrates that a placement should be made at this school above any other. In consideration of each case the board may consult with other medical or educational professionals for a further opinion as to whether the pupil should be allocated a place at this school.

'Medical need' does not include mild medical conditions, such as asthma or allergies. 'Social need' does not include a parent's wish that a child attends the school because of a child's aptitude or ability or because their friends attend the school or because of routine childminding arrangements.

Children who are looked after

Children who are 'looked after' by the Local Authority in accordance with section 22 of the Children's Act 1989 (i.e. a child who is in the care of the Local Authority, or provided with accommodation by the Authority) and children who were 'looked after' but have been adopted or have become subject to a child arrangement order or special guardianship order, or have become subject to a child arrangement order or special guardianship order including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

This applies to all looked- after children, including those who are in the care of another local authority or being provided with accommodation by a local authority in the exercise of their social services function at the time of making an application.

Previously looked after children are children who were looked after but ceased to be so because they were adopted or became subject to a child arrangement order or special guardianship order, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. In the case of previously looked after children, a copy of the relevant documentation will be required in support of the application. This includes children who were adopted under the Adoption Act 1976 and children who were adopted under the Adopted & Children's Act 2002. Child Arrangement Orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a Child Arrangements Order. See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Multiple births

Where a family of multiple births (twins, triplets etc.) request admission and only one of the siblings can be offered a place, the remaining siblings will also be offered places above the admission number.
